HUDSON VALLEY STORM 12U BASEBALL

BALLPARKS OF AMERICA • BRANSON, MISSOURI

Dear Business Owner/Community Partner,

The Hudson Valley Storm 12U Baseball Team has an incredible opportunity ahead of them - and we are asking our community to help make it possible.

This season, our 12U players are preparing for a once-in-a-lifetime baseball experience at Ballparks of America in Branson, Missouri. They will have the opportunity to travel together as a team, compete against teams from across the country, and play the game they love in an unforgettable tournament experience.

For these boys, this trip is about so much more than baseball. It is about the friendships they have built, the lessons they have learned, the hours spent practicing, the wins and losses they have experienced together, and the memories they will carry with them long after their travel baseball days are over.

As you can imagine, an experience like this comes with significant costs for our players and their families. Our 12U team is actively fundraising to help offset the expenses associated with traveling to and participating at Ballparks of America, and we would be incredibly grateful to have the support of local businesses and members of our community.

We are currently seeking team sponsors and donations of all sizes. Every contribution will go toward helping our players get to Branson and making this experience possible for the entire team.

There is no set sponsorship amount - we want every business, family, and community member to be able to support the team in whatever way feels right for them. Every donation, big or small, brings our boys one step closer to Branson.

Your support is not simply a donation to a baseball team - it is an investment in an experience these 12-year-old boys will remember for the rest of their lives.

We truly appreciate you considering being part of their journey. It takes a village to give kids opportunities like this, and we are incredibly thankful for the community that continues to show up for our players.

Please see the attached donation form for information on how you can help us send the Hudson Valley Storm 12U Team to Branson!

Thank you for supporting our players, our team, and an experience they will never forget.

With gratitude,
Hudson Valley Storm 12U Baseball
Coaches, Players & Families
